CUSTER CONNECTIONS

Dear Chamber Member,

We are excited to share that Custer Restaurant Week will take place February 23–March 1, and we're looking forward to celebrating our local dining scene while encouraging residents and visitors to support Custer businesses.

As part of Restaurant Week, we will be offering prize drawings to help drive participation and excitement throughout the week. We are reaching out to ask if your business would be willing to donate a prize—such as a gift card, merchandise, or a service—to be included in our promotional giveaways.

Donating a prize is a great way to:

- Gain visibility during Restaurant Week promotions
- Support local restaurants and the Custer business community
- Attract new customers to your business

All donating businesses will be recognized in our Restaurant Week marketing and promotions. If you are interested in contributing or would like additional details, please let us know.

We truly appreciate your support and your help in making Custer Restaurant Week a success.

Thank you for supporting our local community.

Warm regards,
Dawn Murray

Dawn Murray
Executive Director

IMPORTANT ANNOUNCEMENTS

To make participation simple and flexible, Dakota Greens is offering two options this year:

Full-Service Basket – \$175

Includes watering services, fertilizer, and plant replacement as needed throughout the season. A no-maintenance way to keep your business looking vibrant all summer long..- (\$100 watering service May-End Sept., and \$75 for Basket)

Basket Only – \$75

Just want the basket? This option lets you purchase the patriotic planter without maintenance services included.

Whether you choose the convenience of full service or prefer to care for your basket yourself, your participation helps us fill Custer with patriotic color and community pride.

If you'd like to participate or need more information, please contact the Chamber Office. Let's work together to make this summer one to remember as we honor 250 years of America's story.

CUSTER COUNTY CWPP

Community Wildfire Protection Plan

Custer County is updating its CWPP in cooperation with representatives from local, state, and federal agencies and other organizations with a stake in wildfire preparedness and mitigation. The project is being facilitated and supported by contract staff from Bintel Inc.

The CWPP is a plan developed by a community in an area at risk from wildfire. The Community Wildfire Protection Planning process is the collaboration between communities and agencies interested in reducing wildfire risk.

We welcome your feedback on how wildfire affects you for the purposes of the CWPP.

Survey Topics:

- county wildfire risks
- landowner mitigation
- evacuation planning

Scan for Survey

What is included in a CWPP?

- fire history, behavior, and probability
- firefighting capabilities & water supplies
- evacuation routes
- wildfire community hazard ratings
- wildfire mitigation recommendations
- home ignition zone recommendations

For more information about the project contact

Travel South Dakota's Rose Parade Float Wins Americana Award

Pasadena, Calif. – Travel South Dakota's *Carved in Stone; A Legacy of Teamwork* float in the 2026 Rose Parade® presented by Honda, has been awarded the "Americana Award." The award recognizes the "most outstanding depiction of national treasures and traditions," honoring the artistry and collaboration behind South Dakota's most spectacular float yet at the 137th Rose Parade.

"As we kick off a new year and our nation's 250th birthday, our goal is to share the bold spirit that defines South Dakota with millions of viewers around the world," said James Hagen, Secretary of the South Dakota Department of Tourism. "This award is a testament to the incredible teamwork behind the float and to the iconic landmarks and cultural treasures that make South Dakota an unforgettable destination."

Travel South Dakota's award-winning float showcased Mount Rushmore National Memorial alongside the signature experiences that draw nearly 15 million visitors to the state each year. Parade viewers saw South Dakota's famous faces rise above a vibrant landscape of adventure — from thundering bison to the cultural reverence of the Dignity: Of Earth & Sky sculpture. The state's natural beauty and heritage were brought to life through more than 40,000 floral elements, including corn, wheat, sunflowers, light blue iris petals, and palm bark that formed a bison's coat.

South Dakota's presence in Southern California extended beyond parade day. During Decorator's Week in Pasadena, Travel South Dakota hosted immersive experiences featuring locally inspired treats, interactive moments, and social media-friendly activations that allowed visitors to interact directly with the state's culture and creativity.

"It feels incredibly meaningful to engage with people who have yet to discover that South Dakota is their favorite road-trip getaway," said Hagen. "We hope that this time next year, Californians and those who may be viewing the Rose Parade are reminiscing about their own experiences in South Dakota."

The 2026 parade marked Travel South Dakota's second appearance in the Rose Parade, following its first entry in 2016, and served as a national kickoff to America's 250th anniversary celebration.

Travel South Dakota's *Carved in Stone; A Legacy of Teamwork* float was designed and built by Artistic Entertainment Services.

The South Dakota Department of Tourism is comprised of Travel South Dakota and the South Dakota Arts Council. The department is led by Secretary James D. Hagen.

Government Shutdown Leaves Public-Lands Partner with More Than \$105,000 in Lost Revenue

HOT SPRINGS, SD – Black Hills Parks and Forests Association, a nonprofit that supports National Park Service and U.S. Forest Service sites in South Dakota and Nebraska, reports more than \$105,000 in lost revenue following the 43-day federal government shutdown. The financial hit affects the organization's ability to fund educational programs that thousands of visitors rely on each year, including Junior Ranger activities at several national parks and forests.

BHPFA operates 16 stores inside federal land agency facilities across the region, including Wind Cave National Park, Jewel Cave National Monument, Scotts Bluff National Monument, Agate Fossil Beds National Monument, and ranger district offices for the Black Hills and Nebraska National Forests. These locations provide most of the nonprofit's operating income.

"Our partner retail operations make up 89 percent of our operating revenue," said BHPFA Executive Director Patty Ressler. "October is usually a strong sales month for us. Losing this revenue will impact how we support our federal partners, especially the education programs families count on."

Because the shutdown closed federal facilities to visitors, BHPFA's stores were unable to operate during one of the most active visitor periods of the fall season. The organization says the shortfall threatens funding for interpretive materials, youth education, and community outreach programs that help connect people with public lands.

To stabilize its budget, the nonprofit is launching a year-end fundraising effort supported by a \$50,000 matching gift. The appeal aims to prevent interruptions to partner support and to maintain staffing levels for the organization's nine full-time employees.

"A gift at this time will assure our federal partners there will be no gaps in funding their education programs," Ressler said. "It also helps us keep our staff employed so we can continue serving the parks and forests our communities care about."

BHPFA has also opened a holiday market at its new headquarters at 833 Mt. Rushmore Road in Custer, offering seasonal hours through Dec. 24.

About Black Hills Parks & Forests Association:

Black Hills Parks & Forests Association (BHPFA) is a nonprofit partner of the U.S. Forest Service and National Park Service. The organization supports wonder and exploration through stewardship of public lands. In 2025, BHPFA has provided over \$100,000 to its agency partners for educational programming, interpretive materials, and public outreach across South Dakota and Nebraska.

26611 US HIGHWAY 385 | HOT SPRINGS, SD 57747 | 605.745.7020

BlackHillsParks.org

At 11 a.m. MT today, Monday, Oct. 6, 2025, a road construction project is scheduled to begin on U.S. Highway 16A near Custer. The reconstruction project to replace a box culvert structure and multiple pipe culverts is located 14 miles east of Custer or nine miles west of the S.D. Highway 79 intersection.

Highway 16A will be closed from the intersections of Highway 16A/Iron Mountain Road to Custer State Park's Wildlife Loop. **This closure will be in place until April 2026.** Additional work will include replacing multiple pipe culverts, building gabion walls, and mill and overlay asphalt from Custer State Park's east entrance to the west entrance for 13 miles. Custer State Park's Wildlife Loop and Iron Mountain Road will remain open throughout the project.

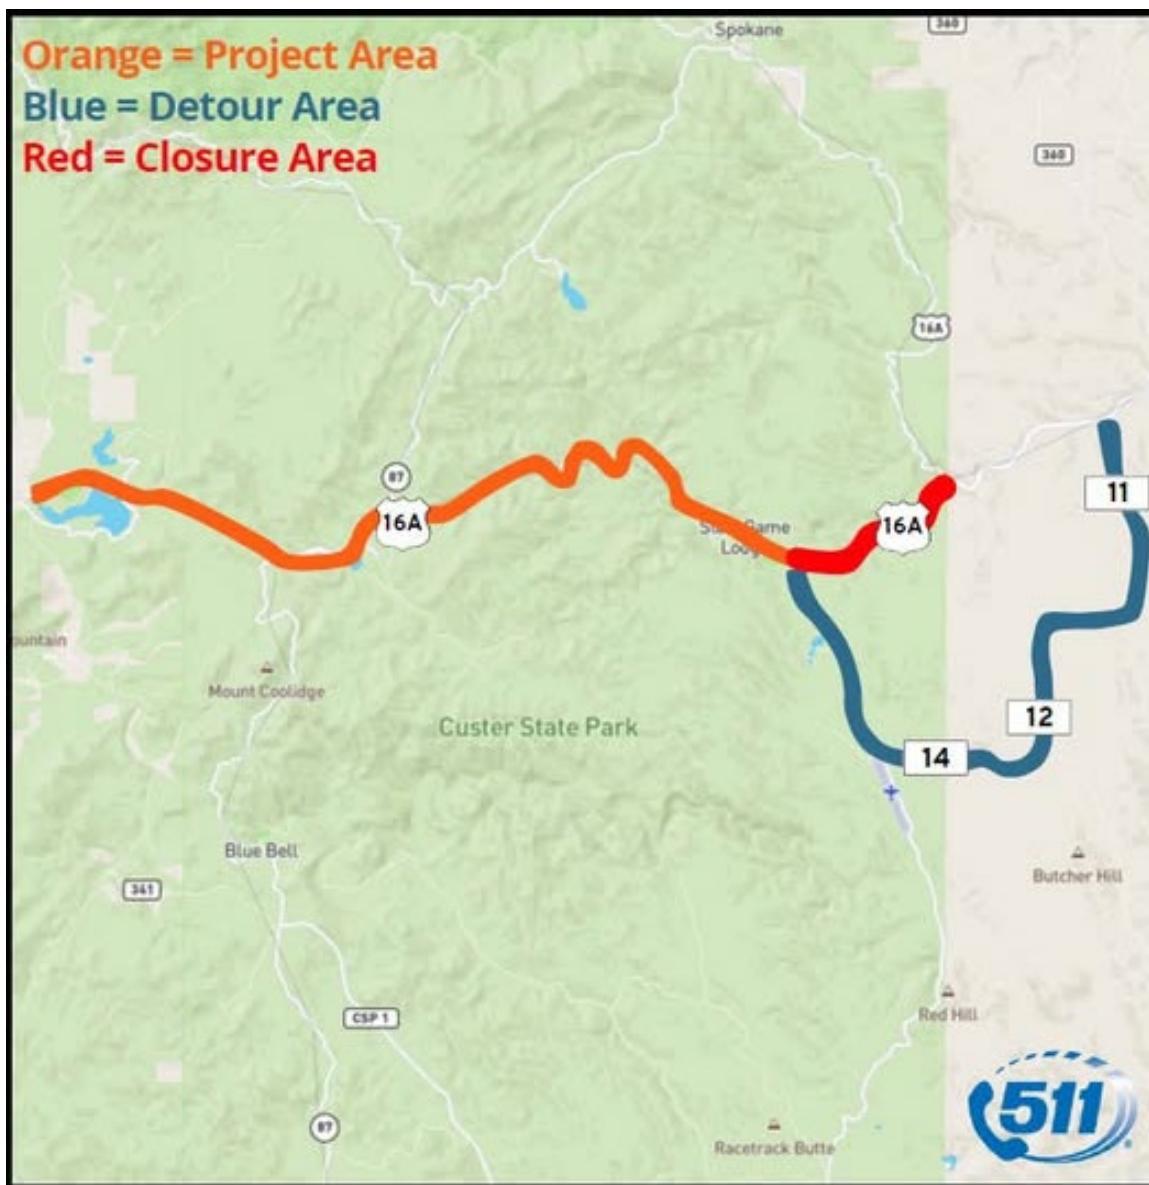

During the Highway 16A closure, there will be a detour in place. The detour route is from the intersection of S.D. Highway 36 and Custer County's Ritterberger Road, south two miles to Cobb Road intersection, west one mile on Cobb Road, south one and one-half miles on Cobb Road to the intersection of LH Road, west approximately two miles on LH Road to Custer State Park's Wildlife Loop Road, and then north two miles on the Wildlife Loop Road back to Highway 16A. Motorists should be aware that the detour on Ritterberger Road, Cobb Road, and LH Road includes six miles of gravel. The Wildlife Loop Road is two miles of asphalt with a reduced speed limit of 25 mph.

S.D. Highway 40 between Hermosa and Keystone also provides a detour option for area motorists.

Find additional project information at <https://dot.sd.gov/16a-culverts>. This website includes project updates, photos, and a downloadable map that demonstrates the project area and detour route.

The overall project completion date is October 2026.

South Dakota DOT Update

Project Update

Friday, Dec. 12, 2025

Current Construction:

- Closure E (Pactola Dam to Taylor Ranch Road) is currently in place and ends on Friday, March 6, 2026. Outside of the closure area, construction crews are continuing work on the roadway.
- The driving surface within the construction area is a combination of pavement, blotter (a hard, packed surface that resembles asphalt), and gravel. U.S. Highway 385 from Wrinkle Valley Road to 1/2-mile from South Sanders Ranch Road and from Sheridan Lake Road to 1/2-mile to the north is gravel.
- Pilot cars with wait times of up to 15 minutes are being used within the construction as needed during working hours.
- In the event of winter weather, the South Dakota Department of Transportation will plow and maintain the construction area as well as Custer Gulch Road.
- Within the closure area, the contractor continues to conduct planned rock blasts, the excavation and replacement of culverts, and grading of the roadway.

Construction Paused for Holiday Break: Construction will be paused from Friday, Dec. 19, 2026, through Sunday, Jan. 4, 2026. During this time, Closure E (Highway 385 from the south end of Pactola Dam to Custer Gulch Road) will remain in place. The construction area will be maintained during winter weather events.

❖❖ Construction Zone Reminders ❖❖

- Follow posted speed limits in construction zones.
- Be aware of flaggers and other construction workers in the construction area.
- If you are following a pilot car, stay with the line, and do not stop or exit your vehicle in the project area.
- It is illegal to go beyond cones and barriers within construction zones even when the contractor is not working.

Volunteer Recreation Position Open in the Southern Black Hills

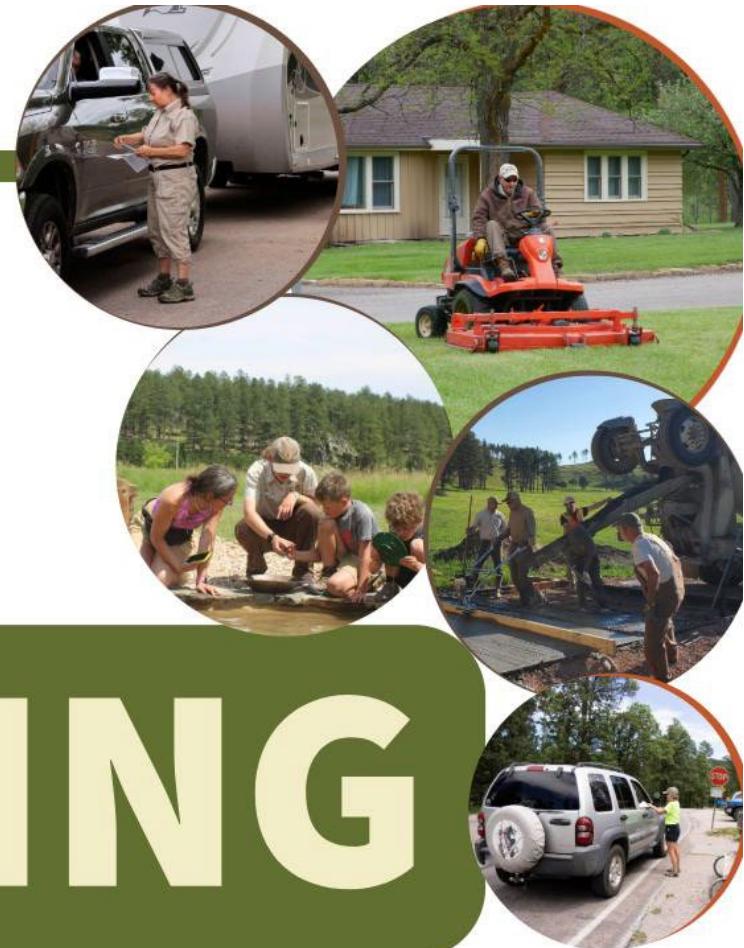

Looking to spend your summer in the beautiful Black Hills? If so, you may be interested in a new volunteer vacancy announcement for the southern hills. The Black Hills National Forest and Nebraska National Forests and Grasslands are teaming together to host some volunteers to help at various recreation sites. Routine maintenance and some enhancement projects are planned, along with some visitor engagement through sporadic site visits. If you need a trailer pad for housing, one is available in Hot Springs, South Dakota, specifically tied to this position. The camping pad is free, with full hookups; in exchange for the site, the selected volunteer is required to work 32 hours per week (typically four, 8-hour days).

Working in public lands is a wonderful way to see the beauty of our nation's natural and cultural history. The southern Black Hills offer some fantastic opportunities for attractions, shops, restaurants, cultural sites and museums, and other vacation-like options. With three days off each week, volunteers will enjoy a summer filled with some challenging work assignments and projects yet relax in the outdoor atmosphere and local hospitality of western South Dakota.
