## *CUSTER CONNECTIONS*

**You may have noticed a lot of bicyclists in town recently. That's because registration for the 27th Annual Mickelson Trail Trek starts today!**

**From Friday through Sunday, over 600 riders will pedal all 109 miles of the Mickelson Trail. Since they begin in Custer on Friday and Saturday mornings, you'll see lots of activity around town.**

**Don't forget—each participant receives \$10 in Mickelson Trail Cash to spend at local businesses. You do not need to be a Custer Cash participant to accept it. Treat it just like cash (make change if needed). Be sure to turn all Mickelson Trail Cash in to the Custer Chamber for reimbursement!**

**Tonight, the Chamber staff will host a welcome reception at Mt. Rushmore Brewing Co. We're grateful for their partnership, along with all the sponsors who help make this event possible. It's always a fun evening welcoming riders and their families to Custer.**

**We look forward to another big weekend for everyone—keep up the great work!**

**Dawn Murray**  
Executive Director

CUSTER  
Chamber of Commerce

### 2026 Custer Area Chamber of Commerce Business and Membership Directory

Your Custer Area Chamber of Commerce & Visitors Bureau is producing the 2026 Chamber Business and Membership Directory with helpful features for chamber members, Custer visitors and potential residents. This beautiful, full-color directory will include great photography, a community profile, a calendar of special events, accommodations, attractions, restaurant listings and a complete categorical directory of all chamber members in full magazine-size layout.

We'll print 15,000 copies of this directory, which will be distributed to prospective visitors and residents who call our community seeking information about traveling to the region, or relocating their home or business to the Custer area. In addition, thousands of copies will be distributed at our Visitor Information Center and at chamber businesses such as local motels, restaurants and campgrounds. This will be our primary economic development and business recruitment piece!

If you'd like to distribute your message to thousands of potential customers who will visit Custer or are inquiring about living here, just give the folks at Southern Hills Publishing a call at 673-2217. Don't miss this opportunity. Thanks for your continued support.

# Join our Senior-to-Senior Mentorship Program

## What is this program?

This fall and spring, **the Custer Senior Center and Custer High School are teaming up to connect two generations.** High school seniors can choose to be paired with community seniors to guide them through their Senior Project. Each senior citizen mentor will share experience, insight, and encouragement as students plan, develop, and complete their project.

## What's in it for your Senior Student?

Thanks to generous memorial donations honoring former Custer High School Principal Russ Arnold, **the Senior-to-Senior Mentorship Program includes a scholarship award.** At the end of the school year, **two participating high school seniors will be selected to receive scholarships** recognizing outstanding effort, creativity, and collaboration with their senior mentors. These awards celebrate meaningful connections and support the students' next steps after graduation.

### Travel South Dakota to Launch Captivating Five-Episode Western Series

PIERRE, S.D. – Travel South Dakota invites audiences on a compelling journey through the heart of the Old West with the debut of **“Into the Roundup,”** a five-episode video series spotlighting how this truly unique event showcases the Western heritage that is a strong part of South Dakota’s fabric.

The series launched on Tuesday, September 9, in collaboration with Custer State Park.

Designed to showcase not only the annual Custer State Park Buffalo Roundup, but also Western culture and the preservation efforts protecting one of North America’s most iconic animals—the American bison—the series offers a rare, immersive look at South Dakota’s proud traditions.

The full series is available on [TravelSouthDakota.com/IntoTheRoundup](https://TravelSouthDakota.com/IntoTheRoundup) and on Travel South Dakota’s YouTube channel.

#### **Episode 1: “The Ride”**

Watching the Buffalo Roundup in the crowd is one thing. Riding through the dust and thunder on horseback is another. See for yourself what it’s like for cowboys, cowgirls, and park rangers to unite and round up approximately 1,300 bison.

#### **Episode 2: “The Purpose”**

Custer State Park’s herd began with just 36 bison and today is more than 1,300 strong. For 60 years, the Buffalo Roundup has played a vital role in sustaining this herd in a park that dates back to 1912.

#### **Episode 3: “The Legacy”**

**Episode 3: "The Legacy"**

Meet some of the riders who carry this living tradition forward. This episode reveals the work required to maintain a healthy and sustainable herd. Step back through time to see how this living tradition continues to ride strong, passing the Old West spirit to future generations.

**Episode 4: "The Companion"**

There's a lot more than just reins between a rider and their horse. There's a relationship of movement, trust and understanding. Learn about the skill, strategy, and heart behind herding the buffalo.

**Episode 5: "The Backdrop"**

While other roundups exist, none take place against the backdrop of South Dakota's Custer State Park. Here, the vistas stretch on forever, and the spirit of the West roams free. It's a view, and a moment, that could only happen here. Home to sweeping grasslands, rugged landscapes, and a thriving herd, this state park is unlike any other.

### Elk bugling programs and cave tours offered this fall at Wind Cave National Park

HOT SPRINGS, SD – Rangers at Wind Cave National Park will be leading programs throughout September and early October to listen for the bugle of the Rocky Mountain elk. The elk's high-pitched whistle heralds the arrival of fall and the elk's mating season.

Beginning Monday, September 8, rangers are giving brief interpretive programs about elk before leading a caravan to a nearby pullout to listen for them. These one-hour programs are offered Monday, Wednesday and Saturday evenings through Saturday, October 8. Participants meet at the Wind Cave Visitor Center front lawn at 7 p.m. and are encouraged to bring a flashlight, a camp chair or blanket to sit on, and to dress warmly. The program will be cancelled due to inclement weather.

To listen to an elk's bugling call, visit the park's website at <https://www.nps.gov/thingstodo/elk-bugling-wica.htm>.

Fall ranger programs also include Natural Entrance and Garden of Eden Tours of Wind Cave throughout the day. Participants are encouraged to bring a light coat or sweater and good walking shoes. The Natural Entrance Tour lasts approximately 75 minutes and involves 300 stairs. The Garden of Eden Tour lasts one hour and involves 150 stairs. Tours will be offered every thirty minutes throughout the day between 9 a.m. and 4 p.m. through September 20, with reduced tours offered into the fall and winter.

Reservations for cave tours can be made up until 2 days before the tour at <https://www.recreation.gov/>.

# South Dakota DOT Update

## Project Update

Friday, Sept. 12th, 2025

Beginning on Monday, Sept. 29, 2025, a road construction project is scheduled to begin on U.S. Highway 16A near Custer. The reconstruction project to replace a box culvert structure and multiple pipe culverts is located 14 miles east of Custer or nine miles west of the S.D. Highway 79 intersection.

Highway 16A will be closed from the intersections of Highway 16A/Iron Mountain Road to Custer State Park's Wildlife Loop. This closure will be in place until April 2026. Additional work will include replacing multiple pipe culverts, building gabion walls, and mill and overlay asphalt from Custer State Park's east entrance to the west entrance for 13 miles. Custer State Park's Wildlife Loop and Iron Mountain Road will remain open throughout the project.

During the Highway 16A closure, there will be a detour in place. The detour route is from the intersection of S.D. Highway 36 and Custer County's Ritterberger Road, south two miles to Cobb Road intersection, west one mile on Cobb Road, south one and one-half miles on Cobb Road to the intersection of LH Road, west approximately two miles on LH Road to Custer State Park's Wildlife Loop Road, and then north two miles on the Wildlife Loop Road back to Highway 16A. Motorists should be aware that the detour on Ritterberger Road, Cobb Road, and LH Road includes six miles of gravel. The Wildlife Loop Road is two miles of asphalt with a reduced speed limit of 25 mph.

S.D. Highway 40 between Hermosa and Keystone also provides a detour option for area motorists.

There will not be any active road construction work happening during the timeframe of Sept. 22 - 28, 2025, for the Custer State Park's Buffalo Roundup event.

Find additional project information at <https://dot.sd.gov/16a-culverts>. This website includes project updates, photos, and a downloadable map that demonstrates the project area and detour route.

The overall project completion date is October 2026.
